**WHEREAS**, after 19 years of implementation of RA 9003 or the Ecological Solid Waste Management Act of 2000, continuing challenges exist in Solid Waste collection establishment of Material Recovery Facilities (MRF) , the lack of enforcement of the basic requirements of RA 9003 and poor solid waste diversion;

**WHEREAS**, the Municipal Government of Los Baños (MGLB) has shown interest to participate in the project and has agreed to fulfill, its requirements under the Terms and Conditions stipulated in the agreement;

**WHEREAS**, MGLB has been selected as one of the recipients of Bio - waste Shredder and Composter by virtue of Sangguniang Bayan Resolution No. 2021- 43;
