Author : Councilor Miko C. Pelegrina

WHEREAS, in a letter dated November 26, 2025, Honorable Mayor Neil Andrew N. Nocon urgently requested the Sangguniang Bayan to enact the appropriate legislative measure for the Supplemental Budget covering priority expenditures of various offices, including the provision of Financial Assistance to all qualified municipal employees;

WHEREAS, Proclamation No. 1077, s. 2025 was issued declaring a State of National Calamity due to Typhoon "Tino" resulting in widespread disruptions, economic hardship and increased financial strain on municipal officials and employees;

WHEREAS, the employees, both regular and job order workers of the Municipality of Los Baños continue to experience substantial and sustained increases in electricity rates, further burdening household expenses and adversely affecting the welfare of government workers;

[Handwritten signature]

WHEREAS, the grant of Financial Assistance is a valid and reasonable measure consistent with the fiscal authority granted to local governments under the Local Government Code, and may be implemented subject to availability of funds and compliance with existing rules and regulations;

WHEREAS, despite the challenges brought about by persistent inflation, the sharp increase in electricity rates, and the nationwide impacts of Typhoon "Tino" under Proclamation No. 1077, s. 2025, the officials and employees of the Municipal Government of Los Baños continued to deliver exceptional public service, as evidenced by the numerous national and regional awards received in 2025 – all of which affirm that municipal personnel continued to perform with excellence, dedication and professionalism even amid economic hardship and calamity conditions, thereby making the grant of Financial Assistance a fair, equitable and well deserved measure of recognition and support;

WHEREAS, the Office of the Municipal Mayor requested an additional appropriation to augment its existing budget for Financial Assistance, specifically for Contract of Service and Job-Order workers who were adversely affected by recent calamities and by rising prices of basic commodities, as a measure to alleviate their quality of life;

WHEREAS, the Office of the Municipal Mayor likewise requires funding for the fabrication of additional tents to support municipal programs, events, and activities;

WHEREAS, the Office of the Vice Mayor requested a supplemental appropriation to augment its Representation Expenses in order to support official functions and activities aligned with its mandate;

WHEREAS, the Office of the Sangguniang Bayan likewise requested additional funding to augment its Representation Expenses, necessary for the effective discharge of legislative functions;

WHEREAS, the Sangguniang Bayan Secretariat requested funding for the procurement of the E-Legis System, a digital platform intended to streamline the creation, management, tracking, and archiving of legislative documents, thereby enhancing transparency, efficiency, and institutional productivity;

WHEREAS, the Office of the Human Resource Management Officer requested supplemental appropriations for the conduct of the Family Day of Municipal Employees in celebration of Family Week to foster togetherness and highlight the importance of families;

WHEREAS, the Office of the Senior Citizens Affairs requested an additional appropriation to augment the budget for Local Social Pension, ensuring continued assistance for qualified senior citizens in the municipality;

WHEREAS, under the 5% Municipal Disaster Risk Reduction and Management Fund (MDRRMF) – Continuing Appropriations, a reversion of funds from Capital Outlay to Maintenance and Other Operating Expenses is necessary to provide Welfare Goods for Families of Disaster Victims;

WHEREAS, the 5% MDRRMF also requires reprogramming of the 30% Quick Response Fund to allow the procurement of a Movable Steel Walkway Bridge for areas that remain submerged, as well as the acquisition of Misting Machines for disaster response and public health protection;

WHEREAS, the Sangguniang Bayan finds it necessary and appropriate to make these supplemental appropriations to address urgent municipal needs and ensure the uninterrupted, efficient, and responsive operations of the local government;

NOW THEREFORE, on motion of Councilor Miko C. Pelegrina duly seconded by Councilors Leren Mae M. Bautista and Samantha Nicole A. Banasihan-Ortega and approved by the Councilors present;

RESOLVED, AS IT IS HEREBY RESOLVED, to approve the Supplemental Investment Program (SIP) of various offices for FY 2025 chargeable against the Personal Services Savings, Maintenance and Other Operating Expense (MOOE) Savings, Grant from the Provincial Government and the 5% MDRRMF.
