Author : Councilor Aldous Amiel B. Perez

WHEREAS, Article II, Section 16 of the 1987 Philippine Constitution declares the state's policy to protect the environment by advancing our people's right to a balanced and healthful ecology in accord with the rhythm and harmony of nature.

WHEREAS, Mount Makiling, an inactive stratovolcano with a total area of 4,224 to 4,244 hectares that stretches to the borders of the Municipalities of Los Baños and Bay in Laguna, and the Cities of Calamba in Laguna and Sto. Tomas in Batangas, is known to be a center for rich biodiversity with over 2,000 plant species and 400 animal species present, including endemic and endangered ones.

WHEREAS, in 2013, Mount Makiling Forest Reserve was declared as the 33rd ASEAN Heritage Park in Southeast Asia—recognizing its high conservation importance, exceptional biodiversity, value in the scientific and educational field, and contribution to ecotourism.

WHEREAS, Proclamation No. 692 of 2004 declared the Mount Makiling Forest Reserve as a “permanent forest reserve” for conservation, scientific, and educational purposes, with the University of the Philippines - Los Banos through the Makiling Center for Mountain Ecosystems (MCME) administering the area pursuant to Republic Act 3523.

WHEREAS, Mount Makiling, a natural scientific laboratory for academic institutions and international researchers, serves a vital area for the formulation of environmental policies and the advancement of forestry, ecology, climate science, and natural management among others.

WHEREAS, the people of Los Baños, being a community lying at the foot of Mount Makiling, is expressing their concern for the area, which, when weakly or unseriously rehabilitated, left unconserved, and unprotected from non-environmental-rooted and compliant developmental projects, will result in massive landslides, floods, and destruction of biodiversity.

NOW THEREFORE, on motion of Councilor Aldous Amiel B. Perez, duly seconded by Councilor Jay G. Rolusta and concurred by all other members present;

BE IT RESOLVED AS IT IS HEREBY RESOLVED, that the Municipality of Los Baños, as the town primarily nestled on the slopes of Mount Makiling and likewise directly affected by whatever devastation it will encounter, is strongly urging the Department of Environment and Natural Resources (DENR) and all concerned government agencies and units to strengthen conservation and rehabilitation efforts for the area, thereby ensuring its continuous benefit for the current and next generation of scientists, researchers, tourists, and the protection for the people of Los Baños in general.

RESOLVED, that the reexamining of finished and ongoing developmental projects in the area, private or public-funded, is hereby requested to ensure utmost environmental-compliance and that no environmental conservation efforts is ever compromised.
