WHEREAS, the Philippine economy continues to experience elevated inflation rates, resulting in rising prices of basic commodities, fuel, utilities, and essential household goods, thereby increasing the financial burden on government personnel;

WHEREAS, Proclamation No. 1077, s. 2025 has declared a State of National Calamity due to Typhoon "Tino," resulting in widespread disruptions, economic hardship, and increased financial strain on municipal officials and employees;

WHEREAS, the Municipality of Los Baños continues to experience substantial and sustained increases in electricity rates, further burdening household expenses and adversely affecting the welfare of government workers;

WHEREAS, municipal officials and employees remain at the frontline of public service delivery, and it is essential for the Municipal Government to provide adequate and timely financial support to sustain their well-being, morale, and productivity during periods of economic and calamity-related hardship;

WHEREAS, the grant of Financial Assistance is a valid and reasonable measure consistent with the fiscal authority granted to local governments under the Local Government Code, and may be implemented subject to the availability of funds and compliance with existing rules and regulations;

WHEREAS, despite the challenges brought about by persistent inflation, the sharp increase in electricity rates, and the nationwide impacts of Typhoon "Tino" under Proclamation No. 1077, s. 2025, the officials and employees of the Municipal Government of Los Baños continued to deliver exceptional public service, as evidenced by the numerous national and regional awards received in 2025, as reflected in Annex "A" – *Table of Awards and Recognitions*, — all of which affirm that municipal personnel continued to perform with excellence, dedication, and professionalism even amid economic hardship and calamity conditions, thereby making the grant of Financial Assistance a fair, equitable, and well-deserved measure of recognition and support;
