**WHEREAS**, the Inter-Agency Task Force for the Management of Emerging Infectious Diseases established under Executive Order No. 168 (s. 2014) issued Joint Resolution Nos. 11 and 12 (s. 2020) relative to the recommendations for the management of the COVID-19 situation, in light of the decision of our health officials to raise the Code Alert System for the COVID-19 in the country to Code Red Sublevel 2, following the sharp increase in the number of confirmed COVID-19 cases throughout the country;

**WHEREAS**, in compliance to the directive of the Department of Interior and Local Government (DILG), the Local Corona Virus Task Force was created through the issuance of Executive Order No. 176, s. 2020 to help contain the spread of the disease in the country now that health authorities have confirmed the community transmission of the virus in the Philippines;

**WHEREAS**, the Office of the President through the Executive Secretary issued a Memorandum re: "STRINGENT SOCIAL DISTANCING MEASURES AND FURTHER GUIDELINES FOR THE MANAGEMENT OF THE CORONAVIRUS DISEASE 2019 (COVID-19) SITUATION" directing all Heads of Departments, Agencies, Offices and Instrumentalities of the Government, Government-Owned or Controlled Corporations (GOCCs), Government Financial Institutions (GFIs), State Universities and Colleges (SUCs) and **Local Government Units (LGUs)** to adopt, coordinate and implement the guidelines therein provided;

**WHEREAS**, pursuant to the above Memorandum it is provided among others, that '*LGUs outside the NCR are advised to exercise sound discretion in suspending classes in their respective jurisdictions, provided that measures and arrangements are in place to allow the students to continue fulfilling their requirements, in coordination with the DepEd of CHED. Whenever a class suspension is ordered, the concerned LGU, with the assistance of the DILG, shall be responsible for implementing measures to ensure that students remain in their homes during the class suspension.*'"

**WHEREAS**, based on the aforementioned Memorandum, Joint Resolutions, Proclamation No. 922 (S. 2020), Republic Act No. 11332, the Municipality of Los Baños hereby adopts implementing measures to address certain issues and to manage the Coronavirus Disease 2019 (COVID-19) to be implemented and enforced within the municipality;

**WHEREAS**, the Municipal Mayor Caesar P. Perez of the Local Government Unit of Los Baños, Province of Laguna, thru Executive Order, do hereby direct the immediate implementation of the following guidelines for the management of the coronavirus disease 2019 (COVID-19) situation within the Municipality of Los Baños to wit:

1. Classes and all school activities in all levels, public and private, shall be suspended indefinitely beginning March 16, 2020. However, school administration/managements may adopt appropriate arrangements or measures to allow the students to continue fulfilling their requirements during the period of class/activity suspension. Students and minors are advised to remain in their homes during the said period of suspension of classes/activities. The concerned school administrations/managements are requested to coordinate with the Office of the Mayor their plan of action for information and reference.
2. Mass gatherings shall be prohibited. A mass gathering is a planned or spontaneous event where the number of people attending the event could strain the planning and response resources of the municipality. It includes concerts, sporting events and other entertainment activities, community assemblies, and non-essential work-related gatherings. Essential work-related meetings and religious activities may continue so long as strict social distancing, defined as the strict maintenance of a distance of at least one (1) meter radius between and among those attending, is maintained during the entirety of the event.
3. Inbound travelers from abroad particularly from those countries with reported COVID-19 positive cases, as well as those coming from the National Capital Region (NCR) and the City of Sta. Rosa Laguna are required to observe strict quarantine procedures upon arrival to Los Baños to prevent the risk of transmission of the disease.
