**ORDINANCE NO. 2022 - 2281**

**AN ORDINANCE INSTITUTIONALIZING THE ONLINE SELLING OF PESTICIDE-FREE AND ICS-GROWN HIGH VALUE CROPS (HVC) AND OTHER AGRICULTURAL PRODUCTS PRODUCED BY LOCAL FARMERS AT THE MUNICIPAL AGRICULTURE TRADING POST.**

Author : **Councilor Cris Dayril B. Bagne**

**WHEREAS**, pursuant to Republic Act 7160, the Local Government Code of 1991, under Section 17, Local Government Units shall endeavor to be self-reliant and shall continue exercising the powers and discharging the duties and functions currently vested upon them. They shall also discharge the functions and responsibilities of national agencies and offices devolved to them pursuant to this Code.

**WHEREAS**, Local Government Units shall likewise exercise such other powers and discharge such other functions and responsibilities as are necessary, appropriate, or incidental to efficient and effective provision of the **basic services and facilities**.

*[Handwritten signatures of the author and other officials]*

**WHEREAS**, as provided in Republic Act 7160, Section 17.2.ix, basic services include public markets, slaughterhouses and other municipal enterprises.

**WHEREAS**, Section 2 of Proclamation No. 929, imposed an Enhanced Community Quarantine throughout Luzon beginning 12 April 2020, unless earlier lifted or extended as circumstances may warrant, as response to the threat of the Covid-19 pandemic.

**WHEREAS**, implementation of strict quarantine protocols due to Covid-19 pandemic negatively affected the economic activities in commercial centers and rural areas wherein movements, essential activities like buying food and other needs are constrained, and establishments have limited business hours and working below their operational capacity;

**WHEREAS**, as communities “live with the virus”, minimizing close social contacts will remain key to avoiding resurgence of infection. Consumer demand for food safety will be amplified which, on top of traditional concerns on pesticide residue, will place important emphasis on microbial contaminants especially against the corona virus causing Covid-19 disease (which can contaminate any point in the supply chain);

**WHEREAS**, online food delivery platforms in fresh and processed agricultural products value chains, which were on the rise even prior to the pandemic will most likely take the center stage in a “new normal” agricultural marketing scenario;

**WHEREAS**, this Ordinance will allow and help the local farmers to continue selling their produce in a lockdown scenario while prioritizing their own safety and the safety of the consumers;

**NOW THEREFORE**, on motion of Councilor Cris Dayril B. Bagne duly seconded by Councilor Mark Lester B. Dizon and approved by all the Councilors present;

**BE IT ORDAINED BY THE SANGGUNIANG BAYAN OF LOS BAÑOS, LAGUNA, in session assembled, THAT:**
