ETSA. December 29, 2021

WHEREAS, since the declaration of a global pandemic by the World Health Organization on March 11, 2020 brought about by the Coronavirus Disease (COVID 19) outbreak, and to this loss of lives has reached an unsurmountable number worldwide as well as a great impact on the international economy;

WHEREAS, the DELTA Variant, found to be more contagious or deadlier than the original strain, has entered the country so both national and local governments are exerting efforts to battle the new variant through the imposition of lockdown measures and intensify vaccination efforts;

WHEREAS, to bring this pandemic to an end, a large share of the world's population needs to be immune to the virus and the safest way to achieve this is through vaccination;

WHEREAS, vaccine is a technology that humanity has often relied on in the past to bring down the death toll of infectious diseases, which in the case of COVID-19, immediately after its occurrence, multi-national pharmaceutical companies through their research teams developed vaccines that can protect the people from SARS-CoV-2, the virus that causes COVID-19;

WHEREAS, the Philippines to this time has been receiving COVID-19 vaccines from the United Nations, who has come to help member countries fight the pandemic, at the same time the national government has procured vaccines from available internal and external funds thus local governments has been assured of the supply of vaccines;

WHEREAS, the Department of Interior and Local Government and Department of Budget and Management issued Joint Memorandum Circular No. 01 dated March 27, 2020 re: "Additional guidelines on the Utilization of the Twenty Percent (20%) of the Annual Internal Revenue Allotment for Development Projects in view of the Coronavirus Disease 2019 (COVID-19) Situation";

WHEREAS, the municipal government has come up with its Microplan for COVID-19 Vaccination, to ensure a swift and orderly vaccination process for the people of Los Banos, operational expenses chargeable against the 20% Municipal Development Fund, however the medical supplies and materials for the vaccination hub is nearly depleted thus in need of P900,000.00 for the procurement of additional logistics;

WHEREAS, the Municipal Development Council after thorough discussion, deliberation and judicious review of the presented assistance by the Municipal Health Office for supplementary fund consented to approve the abovementioned, realigned and approved a portion of the 20% Municipal Development Fund Continuing Appropriations for CY 2021 and further reverted from capital expense to other maintenance and operating expense to facilitate implementation thereof, as follows:
