WHEREAS, Data from the 2012 Dangerous Drugs Board Nationwide Survey on the Nature and Extent of Drug Abuse showed that there are approximately 1.3 million drug users in the Philippines and 4.8 million reported having used illegal drugs at least once in their lives. Recognizing its health, psychological, social, and economic consequences, drug abuse and illegal drugs trade are considered to be a major obstacle in attainment of national development;

WHEREAS, President Rodrigo Roa Duterte committed to solve the illegal drug problem in the country which, according to him, was wreaking havoc in the lives of the Filipino families and destroying the future of the Filipino youth. In 2016, a massive national campaign against illegal drugs was launched to minimize, if not eliminate, drug and substance abuse towards the goal of attaining a comfortable, peaceful, and just society – the state of the country that he envisions;

WHEREAS, in 2017, the Department of Social Welfare and Development (DSWD) formulated the Yakap Bayan Framework of Intervention, a cyclical rehabilitation and reintegration framework for strategic and coordinated provision of services to Recovering Persons Who Use Drugs (RPWUDs), their families, and their communities. Specifically it aims to: 1) *converge* readily available resources from the national government agencies (NGAs), civil society organizations (CSOs), and faith-based organizations (FBOs) to provide the needs of RPWUDs including, but not limited to medical, psychosocial, livelihood, and spiritual services; 2) *integrate* the indigenous culture in providing services for RPWUDs; and 3) *capacitate* local government units (LGUs) to synchronize other community programs like disaster preparedness in drug rehabilitation and aftercare program;

WHEREAS, the DSWD Administrative Order No.14, Series of 2018, mandates the DSWD as the lead in developing social technologies that are innovative concepts, interventions, strategies and approaches that address emerging needs of the poor, disadvantaged, and marginalized sectors such as indigenous peoples, persons with disabilities, older persons, children in need of special protection, and women in especially difficult circumstances;

WHEREAS, the Yakap Bayan Program is a holistic intervention to assist RPWUDs in their recovery journey and to facilitate their social reintegration. Yakap Bayan will be implemented by the LGU ADACs through a multi-disciplinary Team with dedicated social workers who will serve as case managers. It entails the provision of support services such as counseling sessions, health and fitness therapy, spiritual interventions, skills training, and capacity-building. To ensure successful reintegration in their communities, families and communities are engaged in relationship restoration sessions, community reconciliation sessions, and in the reintegration planning with the RPWUDs. With the institutionalized aftercare services at the LGUs, RPWUDs will be able to maintain autonomous functioning and a lifestyle change. The Program also weaves together the readily available resources of the LGUs, NGAs as technical assistance and resource augmentation providers, academe, CSOs, and faith-based groups in order to provide an enabling recovery environment for RPWUDs and their families;

WHEREAS, the DSWD recognizes the role of the Local Government Units/NGOs in responding to the needs of Persons Who Use Drugs (PWUDs);

WHEREAS, the DSWD Party provides capability building activities and other activities related to the implementation of the project;

WHEREAS, the Municipal Government of Los Baños (MGLB), agreed to replicate the Yakap Bayan Program in the Municipality;

WHEREAS, the MGLB signifies its full support and provides funds for the replication and sustainability of the project;

WHEREAS, the foregoing premises shall form part of the MOA;
