Tricycle, as defined in Ordinance No. 2011-1082 as *a motor vehicle composed of a motorcycle fitted to a single-wheeled side car to render transport services or to convey passengers/goods for public and private use* was amended by Ordinance No. 2021-2128. Section 1 of said Ordinance defined Public Utility Tricycle as *a motorcycle/side unit granted with franchise by the Municipal Government of Los Baños to operate and transport passengers within the municipality. It shall likewise include a three-wheeler passenger vehicle, with model classification of non-conventional three-wheeled motorized vehicle granted with a franchise by the municipality;*
